Shri Shende 14/8

Subject:- Lands:Kanara

of a High School.

The Chairman Shri Raja Rajeshwari -- Educational Society, Manchikeri in Yellapur Taluka -- requests for grant of three acres of land out of F.S. No. 201 C 1 of Kampli in Yellapur Taluka on disforestment for the construction of High School and play -- ground.

2 During enquiry it has transpired that -- there is no objection from the Villagers to grant the said area for School purpose. The grazing area of the Village is quite adequate, the area being As. Gs. As. 2291-8-0 as against 900 heads of cattle.

3 The Chief Conservator of Forest B.S. Poona who was consulted in the matter intimates that the -- area applied for contains 105 trees including --- important species like Matti, Sissam etc. But in view of the fact that the site applied for is ideally suited for School purpose, he has no objection to grant the area in favour of the Chairman Shri Raja Rajeshwari Educational Society, Manchikeri (Vide Chief Conservator's No. 17/D/SG/C- 1680 dated 12-3-1956). The Medical Officer of Health Kanara E.D. Sirsi, has also approved the site from the public health point of view.(P.155.)

X P.119 in case PRs.

4 Under G.R.A. & F.D. No. FDM. 1054 dated 28-1-1955, there is no provision for grant of land -- from minor forest for such public purpose by the

Collector. This case is not covered by the orders issued in G.L.A. & F.D. No. FLD.-1256/41333-E dated 1-5-1956. Hence Government may kindly be moved to disforest an area of 3-0-0 (As. Gs. As.) out of F.S. No. 201-C 1 of Kampli in Yellapur Taluka and to grant the same revenue free to the Chairman Shri Raja Rajeshwari -- Middle School Manchikeri for construction of School and play ground subject to the following conditions:--

(1) The exisisting building regulations should be strictly followed. ~~while constructing the building~~

(2) Ribbon Development orders now in force should be followed while constructing the building.

(3) The grantee shall pay the usual measurement fees.

(4) The grantee shall preserve the forest trees in the land till they are disposed of by the Forest -- Department.

(5) The grantee shall reserve the public rights if any in the land.

(6) The grantee shall not use the land for any purpose other than the specific purpose for which it is granted.

(7) The School shall be open to all class of people -- without distruction of caste or creed.

(8) The area shall be in possession of the School -- authorities so long as it is used for the specific purpose for which it is sanctioned.

(9) Breach of any of the above conditions will be liable for cancellation of the grant.

In this case, the Government of Bombay, had asked to furnish information on the four points mentioned in the Government letter No. FLD 1356/99710/E dated 15th September 1956. One of the points mentioned therein is to ascertain whether the Director of Education, Poona, has any objection to the grant of the land to the Raj Rajeshwari Educational Society. Accordingly, a letter was addressed to the Director of Education, Poona under this office even number dated 4-10-1956 to have his opinion and he was also expedited on 23-10-1956. As no reply was received from him by 1-11-1956, the Director of Public Instruction, Government of Mysore, Bangalore, was addressed in the matter on 6-12-1956. As no reply has been received from him as yet, I am expediting him again. I shall submit my report immediately on receipt of his reply in the matter.

(i) Revenue free value of the land proposed to be granted:

The general rate of N.A. assessment fixed for the village is 1½ pies per square yard and therefore, for the whole area of 3 acres, it works out to Rs.113-8-0

Therefore, capitalized value of the area comes to Rs. 3405-0-0

(N.A. assessment of Rs.113-8-0 x 30 years).

Market value of the area of 3 acres 150-0-0

Revenue free value of the area of 3 acres Rs.3555-0-0

He has, therefore, been separately requested to send his remarks to Government direct in order to avoid further delay in the matter.

(iv) Out of 3 acres area proposed for grant, one acre is to be granted for construction of school building and 2 acres area adjoining the above one acre, is to be granted for play ground under rule 32 Land Revenue Rules. The Revenue free grant for play ground is also admissible under the said rule as the land contiguous to a school building required for play ground is to be granted under this rule only as per note 71(ii) below Rule 32 of Land Revenue Rules (By Anderson). The area of 2 acres is actually required for play ground.
